

Thames Valley Youth Choir

This is a new youth choir for girls' and boys' voices of twelve to eighteen years (school years eight to thirteen). Membership is open to those in the Wallingford area principally, but there is no defined borderline.

The aim is to encourage choral singing in a wide variety of styles, e.g. jazz, pop, classical, ancient and modern.

The choir is organised under the auspices of the Cranford Choral Society, but the new choir will be financed separately with a termly fee of up to £20 to cover the costs of music.

Cranford House School, Moulsoford have been kind enough to offer the use of their music facilities after school. The rehearsals will take place there between 5.30pm and 6.30pm on Monday evenings.

Pupils from both state and the independent schools are very welcome.
